

HOW DO YOU GET VOCATIONAL TRAINING ASSISTANCE?

In order for you to utilise Vocational Training Assistance, you will need

- > confirmation from the Labour Market Service
- > a clarification of your vocational development possibilities by Youth Coaching

The contact details of the Vocational Training Assistants as well as of the Youth Coaching advisers can be found at www.neba.at

WHAT HAPPENS NEXT?

After the final examination, you can join the labour market or continue your training.

Other vocational assistance programmes, such as Job Coaching or Work Assistance can also provide you with support in this area.

WHY INTEGRATED VOCATIONAL TRAINING/ VOCATIONAL TRAINING ASSISTANCE?

You would like to study a profession and have lots of questions...

- > What's the right job for me?
- > Is there a training centre in my area?
- > Can I successfully complete a course of study?

Vocational Training Assistance supports you within the context of an extended course of study or partial qualification until you successfully complete your training.

... **SO YOU CAN GET THE BEST POSSIBLE VOCATIONAL TRAINING**

WHAT IS VOCATIONAL TRAINING ASSISTANCE?

You or your employer can utilise Vocational Training Assistance as part of an integrated professional education, with

- > Special educational needs at the end of mandatory schooling,
- > If you left school without graduating or with poor results,
- > Have a disability in the context of the Disabled Persons Employment Act or the respective provincial Disability Act, or
- > If you are unable to find an apprenticeship due to personal learning difficulties or the Labour Market Service is unable to arrange an apprenticeship for you

... **VOCATIONAL TRAINING ASSISTANCE FREE AND VOLUNTARY**

HOW DOES INTEGRATED VOCATIONAL TRAINING/ VOCATIONAL TRAINING ASSISTANCE WORK?

Vocational Training Assistance supports you

- > with concluding the apprenticeship or training agreement
- > with regular contact with the business and vocational college
- > by organising learning aids or involving job coaches
- > by helping you to prepare for the final examination

You can utilise Vocational Training Assistance in the area of commercial professions as well as in agriculture and forestry.
